

# Decoding the Turbulence

Facing Challenges and Changing the  
Unchangeable

**Matteo Coppola**  
Integrated Business Planning  
Director, Kelloggs

**Change** isn't an  
exception.

**It is the norm.**

**Wrong is wrong even if  
everyone is doing it.**

**Right is right, even if  
no one is doing it.**

# Thriving in the fast lane

**Business decisions are contextual.**

**Seemingly good decisions can yield poor outcomes.**

**Organizations must learn how to make quick decisions that bring fast, substantial learning**

## The Cold Day Analogy

# Determining Priorities & Reinforcing Purpose

1 Understand how to identify your vital organs.

2 Learn how to safeguard them.

**The luxury vs necessity debate:** AI foot  
massage robot or a warm wool blanket?

# Accelerate with Collaboration

**The Need for Speed** – Swift action in a fast-paced world

**A shift in mindset** – From 'Not my job' to 'We need to take care of it'

**Overcome the status quo** – The opportunity to challenge the 'unchallengeable'

# Gear up for the Journey

## **1** THE ART OF URGENCY

---

Embrace swift decision-making and rapid learning

## **2** POWER TO THE PEOPLE

---

Empower teams and fostering critical thinking

## **3** CRISIS AS A CATALYST

---

Utilize challenges for positive transformation

# How to Navigate the Storm

1

Identify your organization's critical priorities.

2

Foster critical thinking within your team.

3

Question and change the status quo

How will you  
**take care**  
of your organization?
